**REQUEST TO REVIEW REFERENCES SUBMITTED  
IN AN INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

On November 10, 2006, Applicants transmitted a Request for Continued Examination (RCE) and an Information Disclosure Statement (IDS) through the USPTO EFS-Web system over the Internet.

In a Notice of Allowance mailed on December 26, 2006, Examiner Misiura indicates that:

Non-Patent literature document 'Cite No's' 1, 12, 15, and 17 have not been considered due to the text of the documents being unreadable.

According to MPEP 609.07 IDSs Electronically Submitted (e-IDS) Using EFS [R-5] - 600 Parts, Form, and Content of Application:

A legible copy of each cited foreign patent document, NPL, and unpublished U.S. patent application (if the cited application is not stored in IFW or the cited information is not part of the specification, including the claims, and the drawings) must accompany the

conventional IDS form and the requirements of 37 CFR 1.97 and 1.98 must be complied with for the IDS to be considered by the Office. [Emphasis added.]

Applicants respectfully submit that they uploaded legible copies of documents 1, 12, 15, and 17 when transmitting the IDS on November 10, 2006 through the USPTO EFS-Web system over the Internet.

MPEP Section "609.05(b) Complying Information Disclosure Statements [R-3]" states that:

The information contained in information disclosure statements which comply with both the content requirements of 37 CFR 1.98 and the requirements, based on the time of filing the statement, of 37 CFR 1.97 will be considered by the examiner. Consideration by the examiner of the information submitted in an IDS means that the examiner will consider the documents in the same manner as other documents in Office search files are considered by the examiner while conducting a search of the prior art in a proper field of search. The initials of the examiner placed adjacent to the citations on the PTO-1449 or PTO/SB/08A and 08B or its equivalent mean that the information has been considered by the examiner to the extent noted above.

Examiners must consider all citations submitted in conformance with the rules \*\*, and their initials when placed adjacent to the considered citations on the list or in the boxes provided on a form PTO-1449 or PTO/SB/08A and 08B provides a clear record of which citations have been considered by the Office.

As Applicants believe that they submitted legible copies of all non-patent IDS references, Applicants respectfully request the Examiner to review and initial documents 1, 12, 15, and 17 cited in the IDS filed on November 10, 2006 in accordance with MPEP Section 609.05(b).

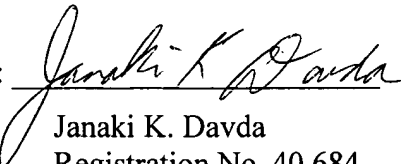

For the Examiner's convenience, copies of documents 1, 12, 15, and 17 are attached.
